

Central Kentucky Radio Control Pullers (CKYRCP)

The thrill of real Truck and Tractor Pulling at a 1/10 scale.

We at CKYRCP offer entertainment for all ages. Our shows consist of 1/10 scale Radio Control Trucks & Tractors that are powered by electric and gas engines. There are multiple classes for trucks & tractors with each class pulling 1 round with the top 3 or 5 (Depending on number of entries) going to a pull off to determine a winner. CKYRCP Rules are posted on the website below. We are affiliated with the NRCTPA. Pulling fee is \$20 for members and \$25 for non-members.
